CHRISTMAS PARTY

BY Jennifer Ostlie

Kilo's Old Fashion Christmas party on Monday, December 10, was a huge success. More than five hundred people attended and were greeted by elves and little elves. The party began at 7:00 pm with the decorating of the tree. The decorations were hand made from the craft table.

The program started with the drama students performing holiday skits. Then the Chamber Choir sang Christmas songs. The Spanish class put on a Mexican dance performed by Aimee Deneau, Sheila Dowling, Chrissy Joyner, and Dana Weatherby followed by the class singing "Silent Night" in Spanish and the French class singing the French version of "Silent Night".

Beckie Black and Krista Ecret did a vocal duet entitled "No Golden Carriage" followed by a clarinet duet.

The Highlight of the evening was when Mr. Olsson sang a Swedish song in Swedish brogue. The Kilo faculty trioplus a friend played "Jingle Bell Rock"

with Mr. Nakayama on the drums, Mr. Wrightson on the piano, John Guillian playing bass and Mr. Anderson on the tenor sax. Mr. and Mrs. Santa Claus danced to the music. The party ended at 9:00pm with Christmas caroling by everyone.

Special thanks are extended to Mrs. Ross and Mr. Mead who played Mr. and Mrs. Santa Claus. We would also like to thank all students, faculty, and parents who worked hard to put together the Christmas party.

## 2 Computer Class

*by Mike Lowery*

A new computer class will be starting sometime this month. It is unclear what the class will consist of, but it will most likely be mainly about graphics. Mr. Novotney has the information on the date and the place.

Meanwhile, the old computer class that was held last month, upstairs in the library, turned out to be what was expected. Around nine people showed up for the class which was held Monday, Wednesday, and Friday. The computers displayed graphic oriented games that the students could operate.

## A party

*by Shannon Dunn*

Kilo's Christmas Party was held for the entire community. About 500 people attended the fest. There was plenty of activity, such as dancing, a bake sale, skits, sing-a-longs, and free refreshments. It took place from 7:00 to 9:00, December 10th. Kilo's students would like to thank Ms. Somers, Mrs. Terry, and Mr. Wrightson for all the effort they put into the party. And, also a thanks to Mrs. Ross and Mr. Mead for playing Mr. & Mrs. Santa Claus.

Mr. Olssen talked about what he thought of the party: "It's packed, and it's really neat."

## Cross Country by KEN MOTT

Cross country was big in December. It was for fun not for competition with other schools. There were only winners, not losers! It started Monday, the 3rd of December and will have ended by Christmas Vacation. It was held on Tuesday and Thursday from 2:45 to 3:30.

Kids jogged and walked at their own pace, and also determined their own goals and distances.

A mile, 2 mile, 3 mile, and off campus courses were run.

## Dear Flabby

Dear Flabby,

I am 15 years old and my Mom and Dad are too strict! When my friends are having fun on Friday night, I'm stuck at home staring at the walls! What should I do?

Bored to death

Dear Bored to death,  
Have you done anything to earn or lose your parents trust? Try sitting down with them, talking it over and see what they say. Never go behind their backs because you'll never see the outside world again.

Sincerely,  
Flabby

Rock Review

By Brian Estey

Heavy Pettin-
Heavy Pettin

These guys are basically in the Def Leppard vein, playing hard rocking music with a lot of melodic vocals. This is a really good debut album, with Victims of the Night being it's strongpoint, but you get kind of sick of the singer's voice.

Built to Destroy-
Michael Schenker Group

Very simply put, this is a heavy metal guitar player's attempt at making a Top-40 pop record.

Rock My Nights Away is a good song, but that's as far as it goes.

Can You Imagine

Teresa Hall- A nun?

Kevin Kendall- Using a comb?

Michelle Mason- Not talking?

Anne Provo- 7ft. tall?

Mr. Bacon- Without pigs?

Roby Ross- Fat Albert?

Answer To Mystery Boy From Page 5

Answer: Tom Pierson

## Merry Xmas

Narita-Riot

This is more of a hard rock than heavy metal band. This album is very well done, especially Road Racing, Narita, and Steppanwolf's Born to be Wild.

Powerslave-Iron Maiden

This is excellent. Every song on this album is great, especially the fourteen minute Rime of the Ancient Mariner. This is Iron Maiden's best album yet, and I advise everyone who likes heavy metal songs to go to get this one.

## What Do You Plan To Do For Christmas?

These are some answers from Kilo students when asked the question: "What do you plan on doing over Christmas Vacation?"

Ranee Pedranti: I plan on being lazy.

John Hollingsworth: Hang out with Charlie Brown playing football and baseball.

John Bailey: I'm going to try to catch Santa Claus.

Julie West: I plan on going to Florida and spending Christmas with my cousin.

Anne Provo: I plan on spray painting Santa Claus green.

Mrs. Pac: Skiing, eating, drinking, and getting fat.

Student Stats

By Colin & Ron W.

Earlier this month, Kim Waalk recieved a letter for Federal Way Cross Country running. Kim is to be highly commended for her efforts.

~~~~~  
Earthshakers-Y&T

Y&T has a lot of success lately with their hit, Keep On Runnin, but Earthshakers blown that right off the face of the earth! Y&T has yet to come out with material to stand up to this album, and the way it's looking, they probably never will.

Ride the Lightning-  
Metallica

Boring, zero-brained garbage.
